

Accounting Services Ltd, Fairwinds Management Limited and A+A Assurance Services Ltd are a corporate group that function as a single entity in order to provide a complete range of fully functional business operation services for our customers. Our collaboration and vicinity allows us to serve the client in all his business needs in an efficient manner. We believe that through the combined efforts of our teams, the diversity of skills they bring to the table, as well as the customer oriented methodology which we have in common, our group can help you achieve your objectives faster and more effectively.

Each company in the group specializes in different areas which, however, complement and enhance the services offered by the other partners, thus forming a formidable team!

The companies' specializations are as follows:

Accounting Services Ltd offers book keeping and accounting, VAT and tax returns, administration services, payroll services, corporate tax advisory, business consultancy.

Fairwinds Management Limited offers a wide range of corporate, legal and financial services.

A+A Assurance Services Ltd specialises in the preparation of financial statements and statutory audits that are tailored to your company's needs.

Through our group, our customers stand to benefit from the knowledge and services of our trusted and experienced business team, helping you and your business prosper at every stage.
